

Appendix F

Species List

F. Species List

F.1 Lists

The following list and three tables denote the bird, mammal, fish, and plant species known to occur in Arctic National Wildlife Refuge (Arctic Refuge, Refuge).

F.1.1 Birds of Arctic Refuge

A total of 201 bird species have been recorded on Arctic Refuge. This list describes their status and abundance. Many birds migrate outside of the Refuge in the winter, so unless otherwise noted, the information is for spring, summer, or fall. Bird names and taxonomic classification follow American Ornithologists' Union (1998).

F.1.1.1 Definitions of classifications used

Regions of the Refuge

- Coastal Plain – The area between the coast and the Brooks Range. This area is sometimes split into coastal areas (lagoons, barrier islands, and Beaufort Sea) and inland areas (uplands near the foothills of the Brooks Range).
- Brooks Range – The mountains, valleys, and foothills north and south of the Continental Divide.
- South Side – The foothills, taiga, and boreal forest south of the Brooks Range.

Status

- Permanent Resident – Present throughout the year and breeds in the area.
- Summer Resident – Only present from May to September.
- Migrant – Travels through on the way to wintering or breeding areas.
- Breeder – Documented as a breeding species.
- Visitor – Present as a non-breeding species.
- * – Not documented.

Abundance

- Abundant – Very numerous in suitable habitats.
- Common – Very likely to be seen or heard in suitable habitats.
- Fairly Common – Numerous but not always present in suitable habitats.
- Uncommon – Occurs regularly but not always observed because of lower abundance or secretive behaviors.
- Rare – Occurs regularly but in very small numbers so not commonly observed.
- Casual – Beyond its normal range but irregularly observed.
- Accidental – Far from its normal range. Further observations unlikely.

F.1.1.2 List of Birds

GEESE, SWANS, DUCKS (ORDER: Anseriformes FAMILY: Anatidae)

Greater white-fronted goose (*Anser albifrons*) – Common spring/fall migrant and uncommon breeder on coastal plain. Rare migrant in Brooks Range. Common spring migrant on south side.

Snow goose (*Chen caerulescens*) – Common spring migrant, rare summer visitor, and abundant fall migrant on coastal plain. Uncommon spring migrant on south side.

Ross's goose (*Chen rossii*) – Casual spring migrant on coastal plain. Hypothetical fall migrant (*).

Brant (*Branta bernicla*) – Uncommon breeder and common migrant to coast.

Cackling goose (*Branta hutchinsii*; formerly a subspecies of Canada goose) – Common breeder and migrant on coastal plain.

Canada goose (*Branta canadensis*) – Uncommon breeder on south side. Rare migrant in Brooks Range.

Trumpeter swan (*Cygnus buccinator*) – Casual breeder and visitor on coastal plain. Uncommon on south side, where it may breed (*).

Tundra swan (*Cygnus columbianus*) – Common breeder on coastal plain. Uncommon migrant on south side.

Gadwall (*Anas strepera*) – Casual visitor on coastal plain.

Eurasian wigeon (*Anas penelope*) – Casual visitor on coastal plain.

American wigeon (*Anas americana*) – Uncommon migrant on coastal plain. Uncommon in Brooks Range, where it may breed (*). Common breeder on south side.

Mallard (*Anas platyrhynchos*) – Rare breeder on inland coastal plain. Uncommon elsewhere on coastal plain, in Brooks Range, and on south side.

Northern shoveler (*Anas clypeata*) – Uncommon visitor on coastal plain and south side. May breed in these areas (*). Rare visitor in Brooks Range.

Northern pintail (*Anas acuta*) – Common breeder and migrant on coastal plain and on south side. Rare visitor in Brooks Range.

Green-winged teal (*Anas crecca*) – Uncommon breeder on inland coastal plain. Rare breeder and migrant along coast. Common in Brooks Range, where it may breed (*). Uncommon breeder on south side.

Canvasback (*Aythya valisineria*) – Casual visitor on coastal plain and south side.

Redhead (*Aythya americana*) – Casual visitor on south side.

Ring-necked duck (*Aythya collaris*) – Casual visitor in Brooks Range. Likely rare visitor on south side (*).

Greater scaup (*Aythya marila*) – Uncommon migrant and visitor along coast. Rare breeder on inland coastal plain and in Brooks Range. Common visitor on south side.

- Lesser scaup** (*Aythya affinis*) – Rare breeder and visitor on inland areas of coastal plain. Uncommon breeder in Brooks Range. Common summer resident on south side, where it likely breeds (*).
- Steller's eider** (*Polysticta stelleri*) – Rare visitor along coast.
- Spectacled eider** (*Somateria fischeri*) – Rare breeder and uncommon visitor along coast.
- King eider** (*Somateria spectabilis*) – Fairly common breeder and uncommon migrant along coast.
- Common eider** (*Somateria mollissima*) – Common breeder on coastal islands. Common migrant along coast.
- Harlequin duck** (*Histrionicus histrionicus*) – Rare breeder on inland coastal plain. Uncommon breeder in Brooks Range. Rare visitor on south side.
- Surf scoter** (*Melanitta perspicillata*) – Uncommon migrant along coast. Uncommon on the inland coastal plain and south side. May breed in both areas (*).
- White-winged scoter** (*Melanitta fusca*) – Rare on inland lakes of coastal plain. Common migrant along coast. Rare visitor in Brooks Range. Common visitor on south side. May breed in all areas (*).
- Black scoter** (*Melanitta americana*) – Uncommon migrant along coast.
- Long-tailed duck** (*Clangula hyemalis*) – Common breeder on coastal plain. Abundant fall migrant along coast. Uncommon in Brooks Range, where it may breed (*). Common visitor and uncommon breeder on south side.
- Bufflehead** (*Bucephala albeola*) – Rare visitor to Brooks Range and south side.
- Common goldeneye** (*Bucephala clangula*) – Rare visitor to all areas. May breed on south side (*).
- Barrow's goldeneye** (*Bucephala islandica*) – Casual visitor on south side.
- Smew** (*Mergus albellus*) – Accidental visitor on coastal plain.
- Common merganser** (*Mergus merganser*) – Casual visitor on inland coastal plain and in Brooks Range. Uncommon visitor on south side.
- Red-breasted merganser** (*Mergus serrator*) – Rare breeder and fairly common migrant on coast. Fairly common breeder on inland coastal plain. Fairly common breeder in Brooks Range. Common on south side, where it may breed (*).

GROUSE, PTARMIGAN (ORDER: Galliformes FAMILY: Phasianidae)

- Ruffed grouse** (*Bonasa umbellus*) – Rare permanent resident on south side, where it may breed (*).
- Spruce grouse** (*Falcipennis Canadensis*) – Uncommon permanent resident on south side.
- Willow ptarmigan** (*Lagopus lagopus*) – Uncommon permanent resident along coast. Common to abundant permanent resident elsewhere on Refuge.
- Rock ptarmigan** (*Lagopus muta*) – Common permanent resident in all areas of Refuge.

Appendix F: Species List

Sharp-tailed grouse (*Tympanuchus phasianellus*) – Annual populations vary. Uncommon permanent resident on south side, where it may breed (*).

LOONS (ORDER: Gaviiformes FAMILY: Gaviidae)

Red-throated loon (*Gavia stellata*) – Fairly common breeder and migrant along coast. Rare breeder in Brooks Range and on south side.

Pacific loon (*Gavia pacifica*) – Common breeder on coastal plain and south side. Common migrant along coast. Uncommon breeder in Brooks Range.

Common loon (*Gavia immer*) – Rare visitor along coast. Rare on south side, where it may breed (*).

Yellow-billed loon (*Gavia adamsii*) – Uncommon migrant to coast. Rare migrant on inland coastal plain. Rare visitor in Brooks Range and rare breeder on larger lakes in this area.

GREBES (ORDER: Podicipediformes FAMILY: Podicipedidae)

Horned grebe (*Podiceps auritus*) – Casual visitor on coastal plain and in Brooks Range. Uncommon on inland coastal plain and south side. May breed in both areas (*).

Red-necked grebe (*Podiceps grisegena*) – Casual visitor on coastal plain and in Brooks Range. Rare on south side, where it may breed (*).

FULMARS, SHEARWATERS (ORDER: Procellariiformes FAMILY: Procellariidae)

Northern fulmar (*Fulmarus glacialis*) – Rare offshore visitor.

Short-tailed shearwater (*Puffinus tenuirostris*) – Rare visitor to coast, mostly offshore.

OSPREY (ORDER: Accipitriformes FAMILY: Pandionidae)

Osprey (*Pandion haliaetus*) – Accidental visitor on coastal plain. Rare visitor in Brooks Range and on south side.

HAWKS, EAGLES, RELATIVES (ORDER: Accipitriformes FAMILY: Accipitridae)

Bald eagle (*Haliaeetus leucocephalus*) – Casual visitor on coastal plain and in Brooks Range. Uncommon breeder on south side.

Northern harrier (*Circus cyaneus*) – Uncommon summer resident on coastal plain. May breed on inland coastal plain (*). Uncommon breeder in Brooks Range. Uncommon visitor on south side.

Sharp-shinned hawk (*Accipiter striatus*) – Casual visitor on coastal plain and in Brooks Range. Uncommon on south side, where it may breed (*).

Northern goshawk (*Accipiter gentilis*) – Casual visitor on inland coastal plain. Uncommon breeder on south side.

Swainson's hawk (*Buteo swainsoni*) – Casual breeder on south side.

Red-tailed hawk (*Buteo jamaicensis*) – Rare visitor on south side, where it may breed (*).

Rough-legged hawk (*Buteo lagopus*) – Rare visitor along coast. Uncommon breeder on inland areas of coastal plain. Uncommon breeder in Brooks Range. Rare breeder on south side.

Golden eagle (*Aquila chrysaetos*) – Fairly common visitor on coastal plain. Rare breeder on inland coastal plain. Fairly common breeder in Brooks Range. Uncommon breeder on south side.

FALCONS (ORDER: Falconiformes FAMILY: Falconidae)

American kestrel (*Falco sparverius*) – Casual visitor on coastal plain. Uncommon breeder in Brooks Range. Common breeder on south side.

Merlin (*Falco columbarius*) – Rare visitor on coastal plain. Uncommon in Brooks Range and on south side. May breed in all areas (*).

Gyrfalcon (*Falco rusticolus*) – Uncommon permanent resident on inland coastal plain, in Brooks Range, and on south side. Rare visitor to coast.

Peregrine falcon (*Falco peregrines*) – Rare breeder and uncommon visitor on coastal plain. Fairly common breeder in Brooks Range and on south side.

COOTS, RAILS (ORDER: Gruiformes FAMILY: Rallidae)

American coot (*Fulica americana*) – Rare visitor on south side.

CRANES (ORDER: Gruiformes FAMILY: Gruidae)

Sandhill crane (*Grus Canadensis*) – Rare breeder and uncommon summer resident on coastal plain. Rare visitor in Brooks Range. Uncommon on south side, where it may breed (*).

PLOVERS, LAPWINGS (ORDER: Charadriiformes FAMILY: Charadriidae)

Black-bellied plover (*Pluvialis squatarola*) – Rare breeder and migrant on coastal plain. Fairly common fall migrant along coast. Rare visitor in Brooks Range.

American golden-plover (*Pluvialis dominica*) – Common breeder on coastal plain and in Brooks Range. Rare visitor on south side.

Semipalmated plover (*Charadrius semipalmatus*) – Uncommon breeder on coastal islands. Fairly common breeder on inland coastal plain. Rare visitor elsewhere on coastal plain. Common breeder in Brooks Range and on south side.

Killdeer (*Charadrius vociferous*) – Casual visitor on coastal plain.

Eurasian dotterel (*Charadrius morinellus*) – Casual visitor on coastal plain.

Appendix F: Species List

SHOREBIRDS (ORDER: Charadriiformes FAMILY: Scolopacidae)

Spotted sandpiper (*Actitis macularius*) – Uncommon breeder on inland coastal plain. Common breeder in Brooks Range and on south side.

Solitary sandpiper (*Tringa solitaria*) – Rare in Brooks Range, where it may breed (*). Uncommon breeder on south side.

Wandering tattler (*Tringa incana*) – Uncommon breeder on inland coastal plain. Common breeder in Brooks Range. Fairly common breeder on south side.

Lesser yellowlegs (*Tringa flavipes*) – Casual visitor along coast. Uncommon in Brooks Range, where it may breed (*). Common breeder on south side.

Upland sandpiper (*Bartramia longicauda*) – Fairly common breeder on inland coastal plain, in Brooks Range, and on south side.

Whimbrel (*Numenius phaeopus*) – Uncommon visitor to coast and in Brooks Range. Rare breeder on inland coastal plain. Rare visitor and breeder on south side.

Black-tailed godwit (*Limosa limosa*) – Accidental visitor to coast.

Hudsonian godwit (*Limosa haemastica*) – Casual visitor on coastal plain.

Bar-tailed godwit (*Limosa lapponica*) – Uncommon on coastal plain, where it may breed (*).

Ruddy turnstone (*Arenaria interpres*) – Fairly common breeder on coast and uncommon breeder on inland coastal plain. Rare visitor in Brooks Range.

Surfbird (*Aphriza virgata*) – Rare breeder in Brooks Range.

Red knot (*Calidris canutus*) – Rare migrant along coast.

Sanderling (*Calidris alba*) – Rare breeder on coastal plain. Rare spring and uncommon fall migrant along coast. Casual visitor on south side.

Semipalmated sandpiper (*Calidris pusilla*) – Abundant breeder in coastal areas and common breeder on inland coastal plain. Common fall migrant along coast. Rare visitor in Brooks Range and on south side.

Western sandpiper (*Calidris mauri*) – Rare on coastal plain, where it may breed (*). Uncommon fall migrant along coast.

Red-necked stint (*Calidris ruficollis*) – Casual visitor on coast.

Least sandpiper (*Calidris minutilla*) – Rare visitor on coastal plain. Uncommon breeder in Brooks Range. Common breeder on south side.

White-rumped sandpiper (*Calidris fuscicollis*) – Rare breeder and spring migrant, and uncommon fall migrant, on coastal plain. Casual visitor on south side.

Baird's sandpiper (*Calidris bairdii*) – Uncommon breeder on coastal plain and in Brooks Range. Common migrant on south side.

Pectoral sandpiper (*Calidris melanotos*) – Abundant breeder on coastal plain. Abundant fall migrant along coast. Fairly common migrant in Brooks Range and on south side.

Sharp-tailed sandpiper (*Calidris acuminata*) – Casual migrant on coast.

Dunlin (*Calidris alpina*) – Uncommon breeder and fall migrant along coast. Rare migrant on south side.

Stilt sandpiper (*Calidris himantopus*) – Uncommon breeder and fall migrant on coastal plain.

Buff-breasted sandpiper (*Tryngites subruficollis*) – Uncommon breeder and migrant on coastal plain.

Ruff (*Philomachus pugnax*) – Casual visitor on coastal plain.

Long-billed dowitcher (*Limnodromus scolopaceus*) – Uncommon breeder and fairly common summer visitor on coastal plain. Common fall migrant along coast. Uncommon migrant on south side.

Wilson's snipe (*Gallinago delicata*) – Rare visitor on coastal plain. Fairly common in Brooks Range. May breed in both these areas (*). Common breeder on south side.

Wilson's phalarope (*Phalaropus tricolor*) – Accidental visitor on coastal plain and in Brooks Range.

Red-necked phalarope (*Phalaropus lobatus*) – Common breeder on coastal plain and south side. Common to abundant fall migrant along coast. Uncommon breeder in Brooks Range.

Red phalarope (*Phalaropus fulicarius*) – Fairly common breeder in coastal areas, east to Jago delta. Uncommon elsewhere on coastal plain. Uncommon fall migrant along coast.

GULLS, TERNS (ORDER: Charadriiformes FAMILY: Laridae)

Black-legged kittiwake (*Rissa tridactyla*) – Rare visitor along coast, mostly offshore.

Ivory gull (*Pagophila eburnea*) – Rare migrant along coast.

Sabine's gull (*Xema sabini*) – Uncommon breeder and migrant along coast.

Bonaparte's gull (*Chroicocephalus philadelphia*) – Casual visitor on coastal plain and in Brooks Range. Uncommon visitor on south side, where it may breed (*).

Ross' gull (*Rhodostethia rosea*) – Rare migrant along coast.

Mew gull (*Larus canus*) – Rare visitor and breeder on coastal plain. Common breeder in Brooks Range and on south side.

Herring gull (*Larus argentatus*) – Rare migrant and visitor on coastal plain and in Brooks Range. Uncommon breeder on south side.

Thayer's gull (*Larus thayeri*) – Rare visitor on coastal plain.

Slaty-backed gull (*Larus schistisagus*) – Casual visitor along coast.

Glaucous-winged gull (*Larus glaucescens*) – Casual visitor in Brooks Range and on the coast.

Glaucous gull (*Larus hyperboreus*) – Common breeder and abundant summer resident along coast. Uncommon breeder on inland coastal plain. Common breeder in Brooks Range.

Caspian tern (*Hydroprogne caspia*) – Accidental visitor on the coast.

Appendix F: Species List

Arctic tern (*Sterna paradisaea*) – Uncommon breeder on coast. Rare breeder on inland coastal plain. Common summer resident on coastal plain and Brooks Range (breeding not documented). Uncommon visitor on south side.

JAEGERS (ORDER: Charadriiformes FAMILY: Stercorariidae)

Pomarine jaeger (*Stercorarius pomarinus*) – Common spring migrant, summer visitor, and occasional common breeder on coast. Breeding occurs in years of high lemming populations. Common migrant in Brooks Range.

Parasitic jaeger (*Stercorarius parasiticus*) – Common summer resident and uncommon breeder on coastal plain and in Brooks Range. Uncommon migrant on south side, where it may breed (*).

Long-tailed jaeger (*Stercorarius longicaudus*) – Fairly common breeder on inland coastal plain. Common summer resident and rare breeder along coast. Uncommon breeder in Brooks Range. Rare visitor to south side.

ALCIDS (ORDER: Charadriiformes FAMILY: Alcidae)

Thick-billed murre (*Uria lomvia*) – Rare migrant along coast.

Black guillemot (*Cephus grylle*) – Uncommon summer resident and rare breeder along coast.

Least auklet (*Aethia pusilla*) – Casual visitor along coast.

Horned puffin (*Fratercula corniculata*) – Rare visitor along coast.

Tufted puffin (*Fratercula cirrhata*) – Casual visitor along coast.

OWLS (ORDER: Strigiformes FAMILY: Strigidae)

Great horned owl (*Bubo virginianus*) – Uncommon permanent resident on south side, where it may breed (*).

Snowy owl (*Bubo scandiacus*) – Annual populations vary. Common to occasional rare breeder on coastal plain. Breeding occurs in years of high lemming populations. Rare visitor in Brooks Range.

Northern hawk-owl (*Surnia ulula*) – Uncommon permanent resident on south side.

Great grey owl (*Strix nebulosa*) – Rare permanent resident on south side, where it may breed (*).

Short-eared owl (*Asio flammeus*) – Uncommon to common breeder on coastal plain. Breeding occurs in years of high lemming populations. Fairly common in Brooks Range. Rare summer visitor on south side, where it may breed (*).

Boreal owl (*Aegolius funereus*) – Uncommon permanent resident on south side, where it may breed (*).

GOATSUCKERS (ORDER: Caprimulgiformes FAMILY: Caprimulgidae)

Common nighthawk (*Chordeiles minor*) – Casual visitor on coastal plain.

HUMMINGBIRDS (ORDER: Apodiformes FAMILY: Trochilidae)

Ruby-throated hummingbird (*Archilochus colubris*) – Accidental visitor in Brooks Range.

Rufous hummingbird (*Selasphorus rufus*) – Accidental visitor on coastal plain.

KINGFISHERS (ORDER: Coraciiformes FAMILY: Alcedinidae)

Belted kingfisher (*Megaceryle alcyon*) – Casual visitor on coastal plain. Uncommon summer resident on south side, where it may breed (*).

WOODPECKERS (ORDER: Piciformes FAMILY: Picidae)

Downy woodpecker (*Picoides pubescens*) – Rare permanent resident on south side, where it may breed (*).

Hairy woodpecker (*Picoides villosus*) – Rare permanent resident on south side, where it may breed (*).

American three-toed woodpecker (*Picoides dorsalis*) – Uncommon breeder on south side.

Black-backed woodpecker (*Picoides arcticus*) – Rare permanent resident on south side, where it may breed (*).

Northern flicker (*Colaptes auratus*) – Uncommon breeder in Brooks Range and on south side.

TYRANT FLYCATCHERS (ORDER: Passeriformes FAMILY: Tyrannidae)

Olive-sided flycatcher (*Contopus cooperi*) – Uncommon on south side, where it may breed (*).

Western wood-peewee (*Contopus sordidulus*) – Rare on the south side, where it may breed (*).

Yellow-bellied flycatcher (*Empidonax flaviventris*) – Casual visitor on the south side.

Alder flycatcher (*Empidonax alnorum*) – Common breeder on south side.

Hammond's flycatcher (*Empidonax hammondi*) – Accidental visitor on coastal plain. Uncommon on south side, where it may breed (*).

Eastern phoebe (*Sayornis phoebe*) – Accidental visitor on coastal plain.

Say's phoebe (*Sayornis saya*) – Rare visitor on coastal plain. Fairly common breeder in Brooks Range.

Eastern kingbird (*Tyrannus tyrannus*) – Accidental visitor on coastal plain and in Brooks Range.

Appendix F: Species List

SHRIKES (ORDER: Passeriformes FAMILY: Laniidae)

Northern shrike (*Lanius excubitor*) – Rare visitor on inland coastal plain, where it may breed (*). Fairly common breeder in Brooks Range and on south side.

CORVIDS (ORDER: Passeriformes FAMILY: Corvidae)

Gray jay (*Perisoreus canadensis*) – Casual visitor on coastal plain. Uncommon breeder in Brooks Range. Common permanent resident on south side.

Common raven (*Corvus corax*) – Uncommon permanent resident and possible rare breeder (*) on coastal plain. Uncommon permanent resident in Brooks Range and on south side, where it may breed (*).

LARKS (ORDER: Passeriformes FAMILY: Alaudidae)

Horned lark (*Eremophila alpestris*) – Rare breeder inland and visitor elsewhere on coastal plain. Fairly common breeder in Brooks Range. Rare visitor on south side.

SWALLOWS (ORDER: Passeriformes FAMILY: Hirundinidae)

Tree swallow (*Tachycineta bicolor*) – Casual visitor on coastal plain. Uncommon on south side, where it may breed (*).

Violet-green swallow (*Tachycineta thalassina*) – Casual visitor on coastal plain. Uncommon breeder in Brooks Range and on south side.

Bank swallow (*Riparia riparia*) – Casual visitor on coastal plain. Uncommon in Brooks Range and on south side, where it may breed (*).

Cliff swallow (*Petrochelidon pyrrhonota*) – Rare visitor on coastal plain, where it may breed (*). Fairly common breeder in Brooks Range and on south side.

Barn swallow (*Hirundo rustica*) – Casual visitor on coastal plain.

CHICKADEES (ORDER: Passeriformes FAMILY: Paridae)

Black-capped chickadee (*Poecile atricapillus*) – Uncommon permanent resident on south side.

Boreal chickadee (*Poecile hudsonicus*) – Rare visitor in Brooks Range. Uncommon permanent resident on south side.

Gray-headed chickadee (*Poecile cinctus*) – Uncommon permanent resident in Brooks Range and on south side.

NUTHATCHES (ORDER: Passeriformes FAMILY: Sittidae)

Red-breasted nuthatch (*Sitta canadensis*) – Casual visitor on south side.

DIPPERS (ORDER: Passeriformes FAMILY: Cinclidae)

American dipper (*Cinclus mexicanus*) – Uncommon permanent resident throughout Refuge, except along coast.

KINGLETS (ORDER: Passeriformes FAMILY: Regulidae)

Ruby-crowned kinglet (*Regulus calendula*) – Uncommon visitor in Brooks Range. Common breeder on south side.

OLD WORLD WARBLERS (ORDER: Passeriformes FAMILY: Phylloscopidae)

Arctic warbler (*Phylloscopus borealis*) – Rare in Brooks Range, where it may breed (*). Uncommon breeder on south side.

THRUSHES, ALLIES (ORDER: Passeriformes FAMILY: Turdidae)

Bluethroat (*Luscinia svecica*) – Rare breeder on inland coastal plain. Rare visitor in Brooks Range.

Northern wheatear (*Oenanthe oenanthe*) – Rare visitor on coastal plain. Uncommon breeder in Brooks Range.

Mountain bluebird (*Sialia currucoides*) – Rare breeder in recent burns on south side.

Townsend's solitaire (*Myadestes townsendi*) – Uncommon visitor in Brooks Range. Uncommon on south side, where it may breed (*).

Gray-cheeked thrush (*Catharus minimus*) – Rare visitor on coastal plain and in Brooks Range. Common breeder on south side.

Swainson's thrush (*Catharus ustulatus*) – Common breeder on south side.

Hermit thrush (*Catharus guttatus*) – Accidental visitor on coastal plain. Uncommon on south side, where it may breed (*).

American robin (*Turdus migratorius*) – Rare visitor to coast. Uncommon breeder on inland coastal plain. Common breeder in Brooks Range. Abundant breeder on south side.

Varied thrush (*Ixoreus naevius*) – Casual visitor on coastal plain and in Brooks Range. Common breeder on south side.

WAGTAILS, PIPITS (ORDER: Passeriformes FAMILY: Motacillidae)

Eastern yellow wagtail (*Motacilla tschutschensis*) – Fairly common breeder on coastal plain. Rare visitor on south side.

American pipit (*Anthus rubescens*) – Rare breeder and uncommon fall migrant on coastal plain. Abundant breeder in Brooks Range.

Appendix F: Species List

WAXWINGS (ORDER: Passeriformes FAMILY: Bombycillidae)

Bohemian waxwing (*Bombycilla garrulus*) – Casual visitor in Brooks Range. Fairly common summer resident on south side, where it may breed (*).

Cedar waxwing (*Bombycilla cedrorum*) – Accidental visitor on Coastal Plain.

LONGSPURS, SNOW BUNTINGS (ORDER: Passeriformes FAMILY: Calcariidae)

Lapland longspur (*Calcarius lapponicus*) – Abundant breeder on coastal plain and in Brooks Range. Uncommon migrant on south side.

Smith's longspur (*Calcarius pictus*) – Rare visitor on coastal plain. Fairly common breeder in Brooks Range and on south side.

Snow bunting (*Plectrophenax nivalis*) – Common breeder along coast and in Brooks Range.

WOOD WARBLERS (ORDER: Passeriformes FAMILY: Parulidae)

Tennessee warbler (*Oreothlypis peregrina*) – Casual visitor on the south side.

Orange-crowned warbler (*Oreothlypis celata*) – Casual visitor on coastal plain. Fairly common breeder on south side.

Yellow warbler (*Dendroica petechia*) – Rare visitor to coast. Rare breeder on inland coastal plain. Uncommon breeder in Brooks Range. Fairly common breeder on south side.

Yellow-rumped warbler (*Dendroica coronata*) – Casual visitor on coastal plain. Uncommon in Brooks Range. Common breeder on south side.

Blackpoll warbler (*Dendroica striata*) – Uncommon on south side, where it may breed (*).

Northern waterthrush (*Parkesia noveboracensis*) – Casual visitor on coastal plain. Uncommon on south side, where it may breed (*).

Wilson's warbler (*Wilsonia pusilla*) – Rare visitor on coastal plain and in Brooks Range. Uncommon breeder on south side.

SPARROWS, BUNTINGS (ORDER: Passeriformes FAMILY: Emberizidae)

American tree sparrow (*Spizella arborea*) – Rare visitor to coast. Common breeder on inland coastal plain. Abundant breeder in Brooks Range and on south side.

Chipping sparrow (*Spizella passerina*) – Casual visitor on coastal plain. Rare on south side, where it may breed (*).

Clay-colored sparrow (*Spizella pallida*) – Accidental visitor on coastal plain.

Savannah sparrow (*Passerculus sandwichensis*) – Common breeder on coastal plain, in Brooks Range, and on south side.

Fox sparrow (*Passerella iliaca*) – Rare visitor to coast. Rare breeder on inland coastal plain. Common breeder in Brooks Range and on south side.

Lincoln's sparrow (*Melospiza lincolni*) – Rare visitor on south side.

White-throated sparrow (*Zonotrichia albicollis*) – Casual visitor on coastal plain.

White-crowned sparrow (*Zonotrichia leucophrys*) – Rare visitor along coast. Uncommon breeder on inland coastal plain. Common breeder in Brooks Range. Abundant breeder on south side.

Golden-crowned sparrow (*Zonotrichia atricapilla*) – Rare in Brooks Range, where it may breed (*). Uncommon breeder on south side.

Dark-eyed junco (*Junco hyemalis*) – Rare visitor on coastal plain. Uncommon breeder in Brooks Range. Abundant breeder on south side.

CARDINALS (ORDER: Passeriformes FAMILY: Cardinalidae)

Western tanager (*Piranga ludoviciana*) – Accidental visitor in Brooks Range.

BLACKBIRDS (ORDER: Passeriformes FAMILY: Icteridae)

Red-winged blackbird (*Agelaius phoeniceus*) – Casual visitor on coastal plain and in Brooks Range.

Rusty blackbird (*Euphagus carolinus*) – Casual visitor on coastal plain. Rare visitor in Brooks Range. Uncommon breeder on south side

Brown-headed cowbird (*Molothrus ater*) – Casual visitor on coastal plain.

FINCHES (ORDER: Passeriformes FAMILY: Fringillidae)

Gray-crowned rosy-finches (*Leucosticte tephrocotis*) – Fairly common breeder in Brooks Range. Uncommon summer resident on south side, where it may breed (*).

Pine grosbeak (*Pinicola enucleator*) – Uncommon permanent resident on south side, where it may breed (*).

White-winged crossbill (*Loxia leucoptera*) – Common permanent resident on south side.

Common redpoll (*Acanthis flammea*) – Common breeder on coastal plain, in Brooks Range, and on south side. Permanent resident on south side.

Hoary redpoll (*Acanthis hornemannii*) – Common breeder on coastal plain, in Brooks Range, and on south side. Permanent resident on south side.

Pine siskin (*Spinus pinus*) – Casual visitor on coastal plain. Rare visitor on south side.

F.1.2 Mammals in Arctic Refuge and Adjacent Waters

Data sources: Bee and Hall 1956, Wilson and Ruff 1999, and MacDonald and Cook 2009. Scientific and common names follow MacDonald and Cook 2009.

Table F-1. Mammals in Arctic Refuge and Adjacent Waters

COMMON NAME	SCIENTIFIC CLASSIFICATION	DISTRIBUTION		STATUS
		Arctic Refuge	World	
SHREWS AND MOLES				
Shrews	Family Soricidae			
Cinereous shrew	<i>Sorex cinereus</i>	Unclear	Arctic America	Common
Pygmy shrew	<i>Sorex hoyi</i>	Unclear	Arctic America	Common
Dusky shrew	<i>Sorex monticolus</i>	Unclear	North America	Common
Tundra shrew	<i>Sorex tundrensis</i>	Unclear	Circumpolar	Common
Barren ground shrew	<i>Sorex ugyunak</i>	Local	Arctic America	Common
Alaska tiny shrew	<i>Sorex yukonicus</i>	Unclear	Alaska	Rare
RODENTS				
Mice, Rats, Voles, and Lemmings	Family Cricetidae (Muridae)			
Collared lemming	<i>Dicrostonyx groenlandicus</i>	Local	Arctic America	Variable
Brown lemming	<i>Lemmus trimucronatus</i>	Wide	North America	Variable
Long-tailed vole	<i>Microtus longicaudus</i>	Unclear	North America	Variable
Singing vole	<i>Microtus miurus</i>	Wide	North America	Variable
Root (tundra) vole	<i>Microtus oeconomus</i>	Wide	Circumpolar	Variable
Meadow vole	<i>Microtus pennsylvanicus</i>	Unclear	North America	Variable
Taiga vole	<i>Microtus xanthognathus</i>	Limited	North America	Variable
Northern red-backed vole	<i>Myodes rutilus</i>	Wide	Circumpolar	Variable
Common muskrat	<i>Ondatra zibethicus</i>	Wide	North America	Common
Northern bog lemming	<i>Synaptomys borealis</i>	Unclear	North America	Variable
Squirrels				
Alaska marmot	<i>Marmota broweri</i>	Limited	North Alaska	Uncommon
Arctic ground squirrel	<i>Spermophilus parryii</i>	Wide	North America	Common
Red squirrel	<i>Tamiasciurus hudsonicus</i>	Local	North America	Uncommon
Porcupines				
North American porcupine	<i>Erethizon dorsatum</i>	Wide	North America	Common

COMMON NAME	SCIENTIFIC CLASSIFICATION	DISTRIBUTION		STATUS
		Arctic Refuge	World	
Beavers	Family Castoridae			
American beaver	<i>Castor canadensis</i>	Wide	North America	Common
HARES, RABBITS, PIKA				
Hares and Rabbits	Family Leporidae			
Snowshoe hare	<i>Lepus americanus</i>	Wide	North America	Variable
CARNIVORES				
Weasels	Family Mustelidae			
Wolverine	<i>Gulo gulo</i>	Wide	Circumpolar	Uncommon
North American river otter	<i>Lontra canadensis</i>	Wide	North America	Common
American marten	<i>Martes americana</i>	Wide	North America	Uncommon
Ermine	<i>Mustela erminea</i>	Wide	Circumpolar	Common
Least weasel	<i>Mustela nivalis</i>	Wide	Circumpolar	Uncommon
American mink	<i>Neovison vison</i>	Local	North America	Variable
Cats	Family Felidae			
Canadian lynx	<i>Lynx canadensis</i>	Wide	North America	Variable
Dogs	Family Canidae			
Wolf	<i>Canis lupus</i>	Wide	Circumpolar	Common
Coyote	<i>Canis latrans</i>	Limited	North America	Common
Arctic fox	<i>Vulpes lagopus</i>	Local	Circumpolar	Uncommon
Red Fox	<i>Vulpes vulpes</i>	Wide	Circumpolar	Common
Bears	Family Ursidae			
American black bear	<i>Ursus americanus</i>	Wide	North America	Common
Brown (grizzly) bear	<i>Ursus arctos</i>	Wide	Circumpolar	Common
Polar Bear	<i>Ursus maritimus</i>	Local	Circumpolar	Threatened
Walrus	Family Odobenidae			
Walrus	<i>Odobenus rosmarus</i>	Limited	Circumpolar	Special Concern
Hair seals	Family Phocidae			
Bearded seal	<i>Erignathus barbatus</i>	Limited	Circumpolar	Common
Spotted seal	<i>Phoca largha</i>	Limited	North America	Common
Ringed seal	<i>Pusa hispida</i>	Limited	Circumpolar	Common

Appendix F: Species List

COMMON NAME	SCIENTIFIC CLASSIFICATION	DISTRIBUTION		STATUS
		Arctic Refuge	World	
WHALES	Order CETACEA			
Right whales	Family Balaenidae			
Bowhead whale	<i>Balaena mysticetus</i>	Limited	North America	Endangered
Gray whales	Family Eschrichtiidae			
Gray whale	<i>Eschrichtius robustus</i>	Limited	North Pacific	Special Concern
Beluga and Narwhal	Family Monodontidae			
Beluga whale	<i>Delphinapterus leucas</i>	Limited	Circumpolar	Common
EVEN-TOED UNGULATES	Order ARTIODACTYLA			
Deer	Family Cervidae			
Moose	<i>Alces americanus</i>	Wide	North America	Common
Caribou	<i>Rangifer tarandus</i>	Wide	Circumpolar	Common
Cows, Sheep, and Goats	Family Bovidae			
Dall's sheep	<i>Ovis dalli</i>	Local	North America	Common
Muskox	<i>Ovibos moschatus</i>	Local	North America	Uncommon
PRIMATES	Order PRIMATES			
Apes and Humans	Family Hominidae			
Humans	<i>Homo sapiens</i>	Limited	Worldwide	Common

F.1.3 Fish of Arctic Refuge

This table includes only those species commonly found in coastal and inland areas. For data sources, refer to the species descriptions in Chapter 4, Section 4.3.5. Life history column contains information on whether a species is found north (N) or south (S) of the Brooks Range, and is freshwater resident (F), anadromous (A), or marine (M).

Table F-2. Fish of Arctic Refuge

ORDER	FAMILY	COMMON NAME	SCIENTIFIC NAME	LIFE HISTORY
Cypriniformes	Catostomidae	Longnose sucker	<i>Catostomus catostomus</i>	S, F
	Cyprinidae	Lake chub	<i>Couesius plumbeus</i>	S, F
Clupeiformes	Clupeidae	Pacific herring	<i>Clupea harengus Pallas</i>	N, M
Esociformes	Esocidae	Northern pike	<i>Esox lucius</i>	S, F
Gadiformes	Gadidae	Arctic cod	<i>Boreogadus saida</i>	N, M
		Saffron cod	<i>Eleginops gracilis</i>	N, M
	Lotidae	Burbot	<i>Lota lota</i>	N and S, F
Gasterosteiformes	Gasterosteidae	Ninespine stickleback	<i>Pungitius pungitius</i>	N, F and A
		Threespine stickleback	<i>Gasterosteus aculeatus</i>	N, M
Osmeriformes	Osmeridae	Capelin	<i>Mallotus villosus</i>	N, M
		Rainbow smelt	<i>Osmerus mordax</i>	N, A
Perciformes	Ammodytidae	Pacific sand lance	<i>Ammodytes hexapterus</i>	N, M
	Stichaeidae	Slender eelblenny	<i>Lumpenus fabricii</i>	N, M
		Stout eelblenny	<i>Lumpenus medius</i>	N, M
	Zoarcidae	Canadian eelpout	<i>Lycodes polaris</i>	N, M
		Pale eelpout	<i>Lycodes pallidus</i>	N, M
		Threespot eelpout	<i>Lycodes rossi</i>	N, M
Percopsiformes	Percopsidae	Trout-perch	<i>Percopsis omiscomaycus</i>	S, F
Petromyzontiformes	Petromyzontidae	Arctic lamprey	<i>Lethenteron camtschaticum</i>	S, A

Appendix F: Species List

ORDER	FAMILY	COMMON NAME	SCIENTIFIC NAME	LIFE HISTORY
Pleuronectiformes	Pleuronectidae	Arctic flounder	<i>Liopsetta glacialis</i>	N, M
Salmoniformes	Salmonidae	Arctic char	<i>Salvelinus alpinus</i>	N and S, F
		Arctic cisco	<i>Coregonus autumnalis</i>	N, A
		Arctic grayling	<i>Thymallus arcticus</i>	N and S, F
		Broad whitefish	<i>Coregonus nasus</i>	N, A and S, F
		Chinook salmon	<i>Oncorhynchus tshawytscha</i>	N and S, A
		Chum salmon	<i>Oncorhynchus keta</i>	N and S, A
		Coho salmon	<i>Oncorhynchus kisutch</i>	N and S, A
		Dolly Varden	<i>Salvelinus malma</i>	N, A
		Humpback whitefish	<i>Coregonus pidschian</i>	N, A and S, F
		Lake trout	<i>Salvelinus namaycush</i>	N and S, F
		Least cisco	<i>Coregonus sardinella</i>	N, A and S, F
		Pink salmon	<i>Oncorhynchus gorbuscha</i>	N, A
		Round whitefish	<i>Prosopium cylindraceum</i>	N and S, F
		Inconnu (sheefish)	<i>Stenodus leucichthys</i>	S, F
		Sockeye Salmon	<i>Oncorhynchus nerka</i>	N, A
Scorpaeniformes	Cottidae	Arctic sculpin	<i>Myoxocephalus scorpioides</i>	N, M
		Arctic staghorn sculpin	<i>Gymnophanthus tricuspidis</i>	N, M
		Fourhorn sculpin	<i>Myoxocephalus quadricornis</i>	N, M
		Hamecon	<i>Artediellus scaber</i>	N, M
		Slimy sculpin	<i>Cottus cognatus</i>	N and S, F
		Twohorn sculpin	<i>Icelus bicornis</i>	N, M
		Gelatinous snailfish	<i>Liparis fabricii</i>	N, M
	Liparidae	Kelp snailfish	<i>Liparis tunicatus</i>	N, M

F.1.4 Vascular Plants of Arctic Refuge

List of vascular plants compiled from specimens stored at University of Alaska Fairbanks herbarium, New York Botanical Garden, and Arctic Refuge herbarium. Scientific names follow Integrated Taxonomic Information System (www.itis.gov). A list of nonvascular plant species (mosses, liverworts, lichens) is available from the Arctic Refuge office.

Table F-3. Vascular Plants of Arctic Refuge

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
Apiaceae (Umbelliferae)	Parsley Family	<i>Bupleurum triradiatum</i> <i>Cicuta virosa</i> <i>Cnidium cnidiifolium</i> <i>Heracleum lanatum</i>
Apocynaceae	Dogbane Family	<i>Apocynum androsaemifolium</i>
Aspleniaceae	Spleenwort Family	<i>Asplenium trichomanes-ramosum</i>
Asteraceae (Compositae)	Sunflower Family	<i>Achillea borealis</i> <i>Antennaria densifolia</i> <i>Antennaria friesiana ssp alaskana</i> <i>Antennaria friesiana ssp friesiana</i> <i>Antennaria microphylla</i> <i>Antennaria monocephala ssp angustata</i> <i>Antennaria pulcherrima</i> <i>Antennaria rosea</i> <i>Arctanthemum arcticum ssp polare</i> <i>Arnica alpina</i> <i>Arnica angustifolia</i> <i>Arnica angustifolia ssp angustifolia</i> <i>Arnica griscomii ssp frigida</i> <i>Arnica lessingii</i> <i>Arnica lessingii ssp lessingii</i> <i>Artemisia alaskana</i> <i>Artemisia arctica</i> <i>Artemisia arctica ssp arctica</i> <i>Artemisia borealis</i> <i>Artemisia comata</i> <i>Artemisia frigida</i>

Appendix F: Species List

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
		<i>Artemisia furcata</i>
		<i>Artemisia glomerata</i>
		<i>Artemisia laciniata</i>
		<i>Artemisia tilesii</i>
		<i>Aster alpinus ssp vierhapperi</i>
		<i>Aster junciformis</i>
		<i>Aster sibiricus</i>
		<i>Bidens cernua</i>
		<i>Chrysanthemum integrifolium</i>
		<i>Crepis elegans</i>
		<i>Crepis nana</i>
		<i>Erigeron acris</i>
		<i>Erigeron arcticus</i>
		<i>Erigeron caespitosus</i>
		<i>Erigeron compositus</i>
		<i>Erigeron elatus</i>
		<i>Erigeron eriocephalus</i>
		<i>Erigeron glabellus</i>
		<i>Erigeron grandiflorus</i>
		<i>Erigeron humilis</i>
		<i>Erigeron mexiae</i>
		<i>Erigeron muirii</i>
		<i>Erigeron ochroleucus</i>
		<i>Erigeron porsildii</i>
		<i>Erigeron purpuratus</i>
		<i>Eurybia merita</i>
		<i>Eurybia pygmaea</i>
		<i>Packera cymbalaria</i>
		<i>Packera hyperborealis</i>
		<i>Packera indecora</i>
		<i>Packera ogotorukensis</i>
		<i>Packera paupercula</i>
		<i>Petasites frigidus</i>
		<i>Petasites frigidus var frigidus</i>

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
		<i>Petasites sagittatus</i> <i>Saussurea angustifolia</i> <i>Senecio congestus</i> <i>Senecio cymbalaria</i> <i>Senecio lugens</i> <i>Solidago canadensis</i> <i>Solidago decumbens</i> <i>Solidago multiradiata</i> <i>Symphyotrichum pygmaeum</i> <i>Tanacetum bipinnatum ssp huronense</i> <i>Taraxacum alaskanum (T. lyratum)</i> <i>Taraxacum arctica</i> <i>Taraxacum ceratophorum</i> <i>Taraxacum hyparcticum</i> <i>Tephroseris frigida (Senecio atropurpureus ssp frigidus)</i> <i>Tephroseris kjellmanii (Senecio kjellmanii)</i> <i>Tephroseris palustris ssp congesta (Senecio congestus)</i> <i>Tephroseris tundricola (Senecio tundricola)</i> <i>Tephroseris yukonensis (Senecio yukonensis)</i> <i>Townsendia hookeri</i> <i>Tripleurospermum phaeocephalum</i>
Betulaceae	Birch Family	<i>Alnus viridis ssp crispa</i> <i>Betula glandulosa</i> <i>Betula nana</i> <i>Betula nana ssp exilis</i> <i>Betula neoalaskana (B. papyrifera)</i>
Boraginaceae	Borage Family	<i>Eritrichium aretioides</i> <i>Eritrichium chamissonis</i> <i>Eritrichium splendens</i> <i>Lappula myosotis</i> <i>Mertensia maritima</i> <i>Mertensia paniculata</i>

Appendix F: Species List

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
		<i>Mertensia paniculata</i> var <i>alaskana</i> <i>Mertensia paniculata</i> var <i>paniculata</i> <i>Myosotis alpestris</i> <i>Myosotis alpestris</i> ssp <i>asiatica</i>
Brassicaceae (Cruciferae)	Mustard Family	<i>Alyssum americanum</i> <i>Arabidopsis mollis</i> <i>Arabis holboellii</i> <i>Arabis lyrata</i> <i>Arabis lyrata</i> ssp <i>kamchatica</i> <i>Barbarea orthoceras</i> <i>Braya bartlettiana</i> <i>Braya glabella</i> <i>Braya purpurascens</i> <i>Cardamine bellidifolia</i> <i>Cardamine digitata</i> <i>Cardamine microphylla</i> <i>Cardamine pratensis</i> <i>Cochlearia officinalis</i> <i>Descurainia sophia</i> <i>Descurainia sophioides</i> <i>Draba alpina</i> <i>Draba arctica</i> <i>Draba cana</i> <i>Draba cinerea</i> <i>Draba corymbosa</i> <i>Draba crassifolia</i> <i>Draba fladnizensis</i> <i>Draba glabella</i> <i>Draba juvenilis</i> <i>Draba lactea</i> <i>Draba lonchocarpa</i> <i>Draba lonchocarpa</i> var <i>lonchocarpa</i> <i>Draba longipes</i> <i>Draba macounii</i>

Appendix F: Species List

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
		<i>Salix phlebophylla</i> <i>Salix planifolia</i> <i>Salix planifolia ssp pulchra</i> <i>Salix polaris</i> <i>Salix pseudomonticola</i> <i>Salix pseudomyrsinoides</i> <i>Salix pulchra</i> <i>Salix reticulata</i> <i>Salix richardsonii</i> <i>Salix rotundifolia</i> <i>Salix rotundifolia ssp rotundifolia</i> <i>Salix scouleriana</i> <i>Salix sphenophylla</i>
Santalaceae	Sandalwood Family	<i>Geocaulon lividum</i>
Saxifragaceae	Saxifrage Family	<i>Boykinia richardsonii</i> <i>Chrysosplenium rosendahlii</i> <i>Chrysosplenium tetrandrum</i> <i>Chrysosplenium wrightii</i> <i>Parnassia kotzebuei</i> <i>Parnassia palustris</i> <i>Ribes hudsonianum</i> <i>Ribes triste</i> <i>Saxifraga arctolitoralis</i> <i>Saxifraga bronchialis</i> <i>Saxifraga bronchialis ssp funstonii</i> <i>Saxifraga caespitosa</i> <i>Saxifraga calycina</i> <i>Saxifraga cernua</i> <i>Saxifraga codyana</i> <i>Saxifraga eschscholtzii</i> <i>Saxifraga flagellaris</i> <i>Saxifraga flagellaris ssp setigera</i> <i>Saxifraga flexuosa</i> <i>Saxifraga foliolosa</i>

PLANT FAMILY – Scientific Name	PLANT FAMILY – Common Name	SPECIES – Scientific Name
		<i>Saxifraga hieraciifolia</i> <i>Saxifraga hirculus</i> <i>Saxifraga hyperborea</i> <i>Saxifraga nelsoniana</i> <i>Saxifraga nivalis</i> <i>Saxifraga oppositifolia</i> <i>Saxifraga razshivinii</i> <i>Saxifraga reflexa</i> <i>Saxifraga rivularis ssp. arctolitoralis</i> <i>Saxifraga serpyllifolia</i> <i>Saxifraga tricuspidata</i>
Scrophulariaceae	Figwort Family	<i>Castilleja annua</i> <i>Castilleja elegans</i> <i>Castilleja hyperborea</i> <i>Castilleja pallida var caudata</i> <i>Lagotis glauca</i> <i>Pedicularis albolabiata</i> <i>Pedicularis capitata</i> <i>Pedicularis labradorica</i> <i>Pedicularis lanata</i> <i>Pedicularis langsdorffii</i> <i>Pedicularis lapponica</i> <i>Pedicularis oederi</i> <i>Pedicularis parviflora</i> <i>Pedicularis sudetica</i> <i>Pedicularis verticillata</i> <i>Penstemon gormanii</i>
Selaginellaceae	Spikemoss Family	<i>Selaginella sibirica</i>
Sparganiaceae	Bur Reed Family	<i>Sparganium hyperboreum</i>
Typhaceae	Cattail Family	<i>Typha latifolia</i>
Urticaceae	Nettle Family	<i>Urtica dioica</i>
Valerianaceae	Valerian Family	<i>Valeriana capitata</i>
Violaceae	Violet Family	<i>Viola epipsila ssp repens</i>
